Nestled in the picturesque surroundings of Gosaldo, immersed in pristine nature and framed by breathtaking landscapes, lies this barn awaiting renovation, poised to become your new home.

This ancient barn, once a shelter for livestock and agricultural equipment, now stands as one of the most sought-after structures for those seeking to blend tradition with modernity. The property spans two distinct levels: the lower floor, with its sturdy stone walls, echoes tales of ancient stables, while the upper floor, constructed with traditional wood, invites visions of warm and cozy living spaces.

Situated in an ideal location, accessible via a convenient asphalted municipal road, the barn enjoys a panoramic and sunny position within a charming hamlet.

Gosaldo is the perfect choice for those wishing to live just a few minutes' drive from Agordo or Primiero, without sacrificing the tranquility and peace that only a nature-immersed location can offer. Here, far from the daily chaos of larger urban centers, you can revel in a serene and rejuvenating environment.
